POP 13 Pearl's Good Surprise!

PoP 19 Pearl's Good Surprise?!

I like the outfit idea is wearing on this special page. I think it would be so cool to see something like this in a store window.

The story was funny, with all the jokes about Pearl (laugh!). I was happy that I was able to bring out Eleven and Twelve, even though it was just for a little while. The gag next to the detective was popular at the office.

It's not what it looked like!

You said...

romantic

Kyoko!
G-Fucking?!

I said the whole thing is stupid!

No, that's not true!

What's important is that you're in love with Forcel!

This is wonderful!
Ich-idou is mine now!
♡♡♡

Ken!
Don't kid yourself, Rina.
Whatever Ich goes, there I am!

I thought you were normal!

But I can't make it that!

I want a cake, pudding, and a cookie.

G-Gee...

For-
ouch...

Oh! Zero...

How stupid

Robbing
happened
between
us and
Far-chan...

Tero...
Don't you think
you have the
wrong idea?!

Okay, okay!
I'll make them
right now!

I want a cream
pudding, a cookie,
a doughnut, and
ice cream...

It has
nothing
to do with
us.

She's
Parroo!

See
ya!

Oh.
I-I have class,
so I better go
back now!

Nothing happened there but...

Sighhh...

I have
dreams, too.

What's
up with
her?

...but I
wonder... will
the rest
of Pearl's
divination
come true?

...there's
a reason
"starring"
meat. The
big point is...
...and we
going to...

...of
...
...

I just
remembered
that I missed
lunch.

But there's
no time to pick
something up
before class!

...at
...
...

...
...
...

...
...
...

So, it
hasn't
come
true!

Absolutely
not!

Ggu?!

It was
poofing

No way.
Ggu! You're
a fan. Ggu!

Ugh... But,
but (all off) it
really hasn't
come true!

Come
on...

So what are
you saying? I
know my
revelation will
come true!

Who knows
what he'd do
out there by
himself? We
better go
after...

Oh,
no...

I hate
you,
Ego!

Search!

My
visions
are never
wrong.
Ego!

Now I'm
add Ego!

Search-
add?!

Ich-
search-
add?
♡♡♡

I'm
making an
exception
today.

My
company?

Am I glad to
have found
you. Your
castle was
lost, so I
brought her
here.

HELLO!

Hello to those I'm waiting for the first time and to those I've not! I'm Mikiyo Ikeda.

We're finally up to the 10th volume of *Assault on Lollipop*! I can't believe we've gotten this far.

I'm inserting my comments, requested illustrations, four-page manga, and grib again! I've included a bonus story, *Assault on Lollipop*, and the Mini-Feature is included as well.

Personally, I like the bonus story *Assault on Lollipop* and the new characters, Bing and his comrades. I hope everyone will like this book, too. Bye.

YAOHACH

Come
on in!

They
seem to
be full of
goodies.
Rpo.

Well, it's
almost
snack time.
Rpo.

Chili
Pepper

Let us have
a bite of it.
Rpo.

This
looks
good.
Rpo.

T-That
was too hot.
Ryo...

I'll never
touch that
again. Ryo!

Did
something
happen?
Ryo.

Could his
eyes have
played
tricks on
him?

A fire-
breathing
izard. Huh.

Tachich-
sen.

Yeah, those
were his
last words.

Let

Let's
ask
them.

So the
victim
died...
a lizard
breathed
fire?

Actually,
I got Ashita's
Foot a week
later, just like
she said.

Ashita's
Foot, Les-
tance?

Her
vision
came
back!

It's
Steven-
son!

She
has
her...

She
forgot
about
me!

So...I've
seen that
blue, flying
life-form
around

That...
That has
to be...

No,
that's not
a life-form.
From this
world.

An alien!!

Boo!

I am terribly
sorry for all the
inconvenience.

Man,
what a
hellbender.

It's
his
his...

She was
talking about
being his
cousin,
right?

See you
later,
Etsuko!

I don't
want to go
home yet!

Etsu-kun,
Etsu-san-san!

Yeah,
yeah.

What?

E-tsu,
look at
that!

We were
just
resolved
to leaving
here.

I wonder
where Pami
was off to?

I am at the
Happy Face
Shopping
District in
1st Ward.

Yes,
this is
Kibuta
at the
scene.

Oh, yeah,
we need to
find his Pami!

Lollipop in Other Countries Part One

It's a late announcement, but *Kawaii Lollipop* is being published in Taiwan, Hong Kong, and South Korea. I don't understand these languages, but it's interesting to look at the alphabet! I'm thrilled that they offer their own original bonus items, too! Even the character names look different in each country! I'll use this space to show them to you.

Continued on page 67!

I-it
seems
we've got
a serious
problem!

Oh, okay,
don't fix!

I'll look
this way!

I'll go check
the shopping
districts so you
go look in the
other places.

Let's split
up and
look for
him!

Oh, maybe
he's back in
school.

I guess
I'll check
there.

No,
not yet.

Is that
girl,
Isa? Did
you find
Pierrot?

Okay,
then I'll
keep
looking.

Really?

But he
won't
respond
to me.

So
did I.

I wonder
if he's
still in
hiding.

You're
back,
too.

Yeah, I
heard the
sound and
thought it
was Pearl...

Come
on out!

Hey,
Pearl!

It's us!

Oh, come...

Ah...

Was he

about
that?

Oh...

Thank you...

This is
brilliant. It
was worth
coming all
the way.

That's the
legendary
Familiar, Pearl,
and...

...and the
Savage
Master.

I'LL MAKE
THEM MINE.

POP20 Nonstop Snow White!

I drew the splash page with a fairy tale image. It's supposed to be the dwarfs' breakfast and Snow White is asleep.

The new characters are here! I really love King and his followers! I'd like to see them talk about a lot of things. Would love to. I personally enjoyed drawing this episode for a chance to dress up the characters differently.

Mamotte! Lollipop

POP20: Nonstop Snow White!

We can

...she doesn't.

That.

That's the
legendary
Pearl...

Pearl... and
the Pearl

What's
that?

Are
they
one.

You should
not judge
them by their
look!

It's hard
to believe
they're that
powerful.

Look!
Just an
ordinary
power and
a desire to
win.

With that
power,
we shall
succeed.

Yes,
that
time...

Once
it's been
awakened,
it will
possess
the true
power!

That
Pearl was
born just
recently.

A black and white illustration for a manga chapter. The left page features a group of anime-style characters in a forest. A girl with large bunny ears is on the left, a girl in a top hat with a '10%' tag is in the center, and a girl with a '3' tag is on the right. A small cat-like creature is at the bottom. The right page is a close-up of a girl with a large bow and a wide, happy expression, holding a small, round, cat-like creature. The background is filled with foliage and small, floating characters.

POP23: Shipping a Class??

POP 21 Skipping a Class?!

*I've always wanted to draw Alice in Wonderland and I was so happy that I could do a double-page spread of it as a splash page! It's one of my favorite illustrations in all of *Heartbeat* Lollipop.*

This episode is all about love! It was the most romantic story I've ever done, and I even had fun drawing it—since I used a new quill pen for this entire episode, the lines appear other than usual.

Force It on the Character

Thank you very much.

Are you dragging me into this?!

What shall we do, King?

Excellent! We must hurry for the 1000 Prize.

Well, that's a score!

PoP22 The One I Kissed!

The Christmas splash page was done in digital media. If you take a closer look, you can find all the characters in it.

I was pleased that I was able to explain King's past thoroughly. I hope I can reveal his whole backstory. It was nice being able to show some of Zoro's inner feelings as well. He's probably changed since the beginning of the series. I think everyone is gradually maturing.

Q & A

- Q. What's hard about drawing manga?
- A. Well... it's rough when the deadlines draw near. Staying awake is hard. I also have a tough time when I can't get my storyboard approved.
- Q. What do you enjoy about drawing manga?
- A. Basically, it makes me happy to have everyone read my manga in the magazine! And I like making the merchandise being made as well.
- Q. Has Pearl gotten chubby lately? (Oo Goddess?)
- A. Oh, maybe you're right. Do you think he's had too many bandedoff? Guess I put him on a diet!

And a light.

I've to become a partner with you?

Together, we'll find a land...

What happened?

What's wrong
you can't
pull the
Magic Beans

You're so
close! You're
all "Kodomo
tata" and
"Kodomo teta".

1000

the go
the ball. You
spend the
month at
your life
smoking
over

This is my favorite outfit!

Really?

Then why are you dressed like that?

What?

I'm not a girl.

I'm a boy.

See?

I'm wearing pink.

I can never accept that!

There's no rule that boys aren't allowed to wear pretty clothes!

Besides, why do they have to call me a sissy for wearing a cute outfit?!

That's true...

I wonder if I'll have to wear regular clothes...

Let's get outside here!

Oh, no! It's Takano!

What are you doing?!

Why?

I said stop it!

Why did you help me?

Did you just mean here?

Are you all right?

I don't think I've seen you before.

Yeah, but you're a girl...

What I mean is, I could have found a for myself!

Stay out of my business!

I had
a good
time,
too!ig

It's
Takashi!

Yes,
the train
station
is right
there.

Are you
sure I don't
have to see
you off?

Kotone-don,
don't feel
bad about
Naruse

I don't
need to
hide.

He's selfish,
self-centered,
egotistical and
hopeless

It's true

But he's
really a
great guy

But

Maybe I was
being a little
harsh.

I'll give it
a week.

I have to
apologize
now.

I mean
it's none
of my
business!

It's not my
place to talk about
his love life.

I wonder
why.

What
got me so
worked
up...

...like
that?

Thank you
for everything
today.

thinking you
could give me
a push...

I came
here...

...I wasn't
sure if I
should take
the Magic
Exile with
my lack of
confidence

To get
you the
truck...

Oh..!

I
should
get
going.
Good
luck
with
your
exam!

His shed
doesn't
seem fair,
does it?

I'd be
taking
advantage
of your
kindness.

Oh?

I'm
kind of
jealous.

I was
kind of like a
third wheel.

I can tell
how much you
really care for
Renise-san.

Yes?

Yes,
I believe
you.

Takuma...

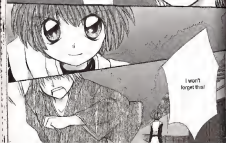

I swear!

You like him,
don't you?!

If you're
a girl, go
show it to
him!

Nanase...

I won't
forget that!

はい
うう

Yokasae!

Kakome-
chan...

Yokasae!

What
are you doing
standing here?!
Go after him!

That's not
important!

えい
うう

Hi-Nokasae!!

Why
are you
here?

Yah!!

Don't think
why that came
all the way here
to see you!!

I'm sure she
thinks you!

That's
what...

Watching
us go in separate
ways is sad...

...I was feeling

We can
never
stay
near each
other...

I got it
now.

Oh,
that's it.

Good
good for
me.

You're
the best!

To have
someone
calling
me the
best...

...and
laughing
like that.

おはよう

I can't be
preoccupied
with romance!

Are you kidding?!
I've said it in training

Who can deal
with someone
like you?

I know I'm the
only one in this
world!

Are you
naïve?

Hi-
Really?

W-Why?!
It's too
early for
you to
return,
don't you
know it?

What
happened
to Kotone-
chan? Is it?

You're
still here

What
do you
know?

Heaven?

Heaven?

Yah!

I wished her
good luck!

Don't you have
something else to
say? You know, "I
like you," "I love
you," "Let's go
out," or "Wait for
me"!!

Hihi?

I-You
got it all
wrong!

I'm so
glad!

And she told
me she won't
give up on the
Majo Exams.

Nanapachi!

• This is a bonus story about Nanase and Yakumo I've always wanted to do! It took a considerable amount of time (possibly six months) to get the plot on a paper. I was afraid the project would be dropped, but I managed to complete it! I was happy that I got the extra pages and even a splash page in color!

• I really enjoy drawing these guys. I love them! (Silly me.) You grow to love them more as time goes by.

• The characters' last names were published in the newspapers. I was amazed that some readers noticed they weren't released in the magazine.

<Last Names of the Characters>

- Yakumo Ishi
- Nanase Akabuki
- Gou Shindou
- Forbe Shindou

* We will need last names for Juro and Ichi

Yeah, I am!

Then I'll
always
keep you
entertained.

Like you
told me at
that time.

You're
crazy

—As long as I
stay true to
myself.

It's back
to training
tomorrow

★ ★ THE END ★ ★

Thank you, everyone for
your support. I hope
that everyone has a
great time and enjoy
reading the new
chapters. :D
